

Affusion valve FUGAS
code:CB11030032

10L water flow device
code: 50101006

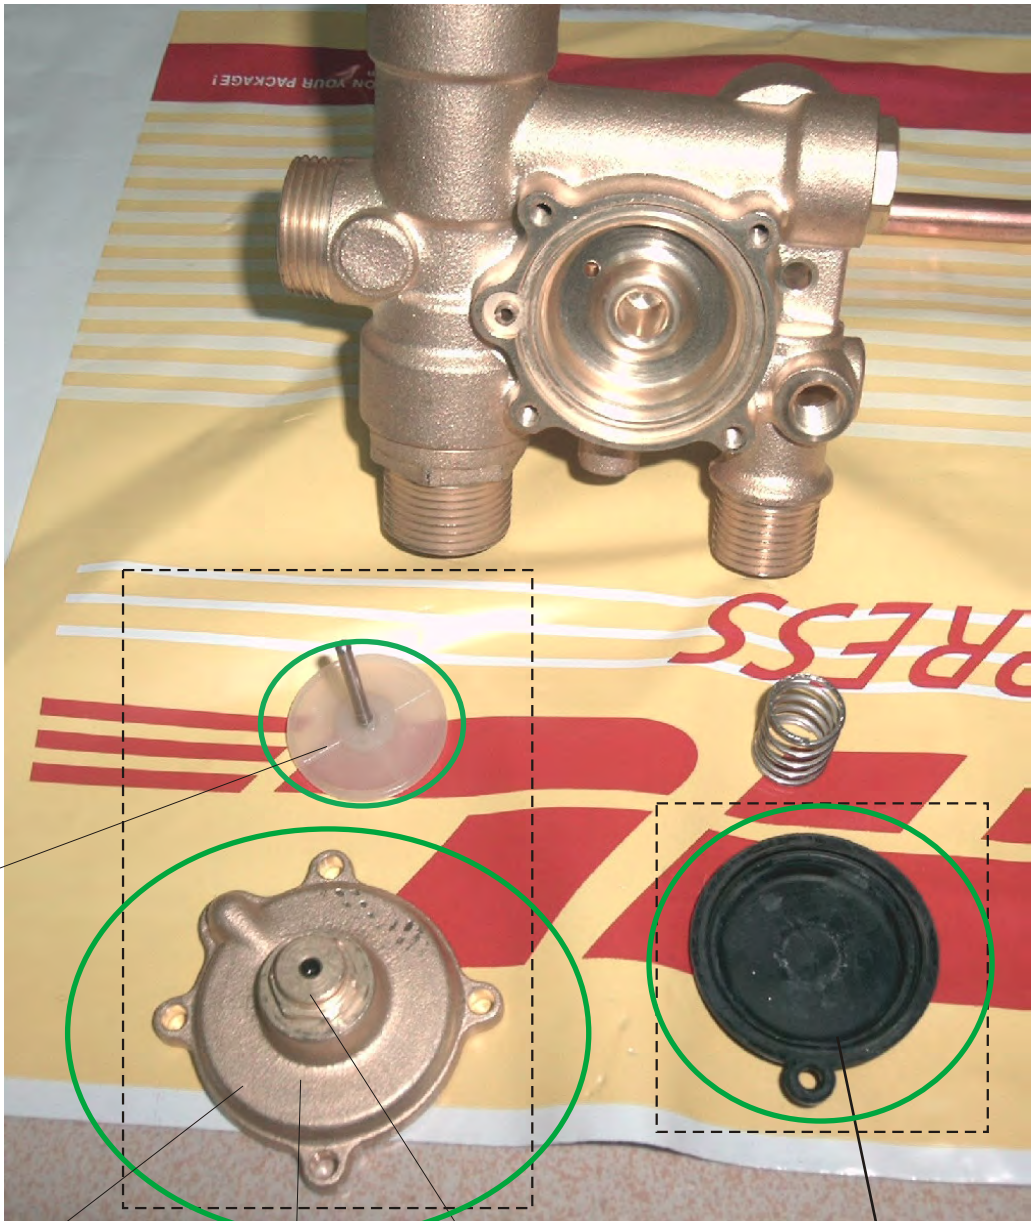

By-pass valve
code:50101016

Electromagnetic valve base nut
code:50101017

O ring for three way
code:50101018

Electromagnetic valve base pin assembly
code: 50101019

Piston of the water pressure switch
Code:70102004

Water pressure device
code:70102002

Rubber part
code:70101002

Copper Cap of the Water pressure device
Code:50101027

Screws of the water pressure switch
Code:70102003
